The Union's Request for Special Permission to Appeal from Administrative Law Judge Steven Davis's Order dated May 15, 2015, is granted, and the appeal is denied on the merits. The Union has failed to establish that the judge abused his discretion in denying the Union's petition to revoke paragraph 33 of the Respondent's subpoena duces tecum B-710509.<sup>2</sup>

<sup>1</sup> The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

<sup>2</sup> To the extent that subpoena paragraph 33 encompasses some documents that the Union believes in good faith to be protected from disclosure, the Union may submit a privilege log providing sufficient detail to permit an assessment by the judge of the Union's claims.
